From: Courtney Nicholls, Assistant Village Manager  
Date: January 26, 2009  
Re: Cityhood – Next Steps

Now that the Village boundary map has been completed, the next step in the Cityhood process is collecting petition signatures. Once the petition signatures are obtained, the formal petition for incorporation is filed with the State Boundary Commission. This submittal would contain:

- Part 1
  - o Boundary map
  - o Aerial boundary map
- Part 2
  - o Petition for City Incorporation
  - o Resolution of support by Village Board
- Part 2a
  - o Identification of Petitioner, Village and Township officials
- Part 3
  - o Legal description of property to be incorporated
- Part 4
  - o Petitions signed by qualified electors
- Part 5
  - o Reasons for incorporation as a Home Rule City
- Part 6
  - o Map of the relationship of the Village of Dexter to the surrounding Townships

If it is Council's desire to move forward with the process, the members of the City Study Committee will be contacted to begin collecting petition signatures. Currently the village has 2436 registered voters (2176 in Scio and 260 in Webster). The petitions must contain at least 122 signatures (5% of the registered voters), with a minimum of 10 coming from Village residents in Scio Township and 10 coming from Village residents in Webster Township.

The following documents are included for your review:

- Village boundary map
- Village boundary map – aerial view
- Village legal description
- Updated document - "Stepping into Cityhood"
- Sample Local Proposal Petition
- General Instructions for Preparation of a City Incorporation Petition
- Accounting of money spent on Cityhood to date

# Memorandum

**Date:** January 5, 2009  
**To:** Donna Dettling, Village Manager  
**From:** Christine Cale, PE  
**Re:** Boundary Survey

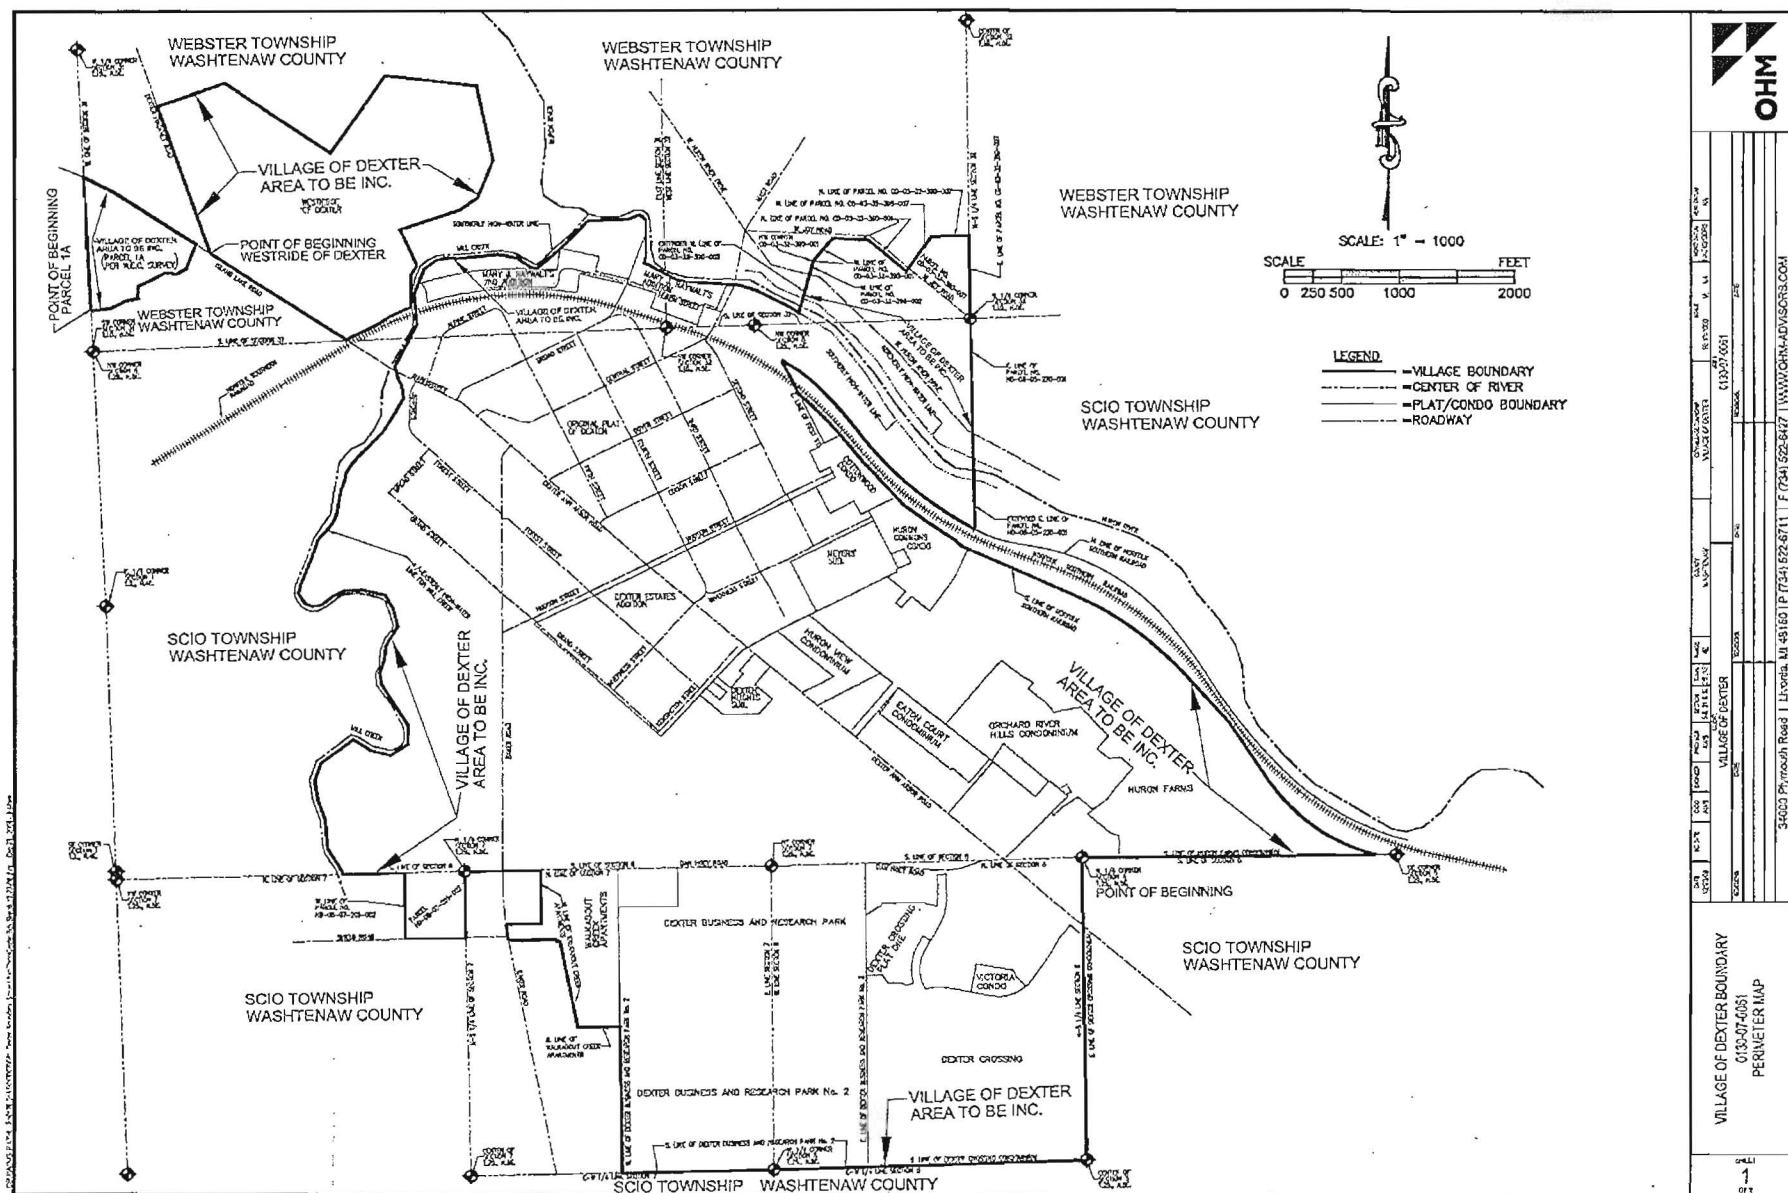

Donna –

At the December 3, 2008 Council meeting, we presented a boundary map showing the current status of the Village boundary description. OHM was still working to finalize the description along the Mill Creek. Since that time, the boundary along Mill Creek has been finalized and the boundary description has been developed. Attached please find both the boundary map (two versions) and boundary description showing the Village boundary.

Please note that the Boundary description is representative of the current Village Boundary, with only one exception. The area of land between the Mill Creek and the current Village Boundary has been included in the description. This is shown on Sheet 2A.

The boundary map and description were submitted to Dave Rutledge for a cursory review. Once OHM receives any feedback from Dave Rutledge, we will notify the Village, otherwise, the information should be ready for use with any potential petition for Cityhood.

Please contact us if you have any other questions or concerns.

- If petition is found to be sufficient, the Boundary Commission conducts a public hearing
  - o If the petition is not found to be sufficient the process stops
- Boundary Commission adopts its findings -
  - o If it finds that the process should move forward the Commission approves the petition
  - o If not the petition is denied and the process stops
- If a referendum petition is filed within 45 days of the Commission's approval the issue is placed on the ballot - need 5 % of Village of Dexter registered voters on the petition
- If a referendum petition is not filed the Village elects a nine (9) member Charter Commission
- Charter Commission writes a City Charter
- City Charter sent to Governor for approval
